

Special Interest Camps

Spring Break Camps & Classes

4-H Lego Robotics Camp

(ages 9-13)

Lego Robotics promotes development of science, technology, engineering and mathematics skills in youth. Campers will explore teamwork and the engineering design process while building and programming Lego NXT Robots.

They'll also learn about motors, sensors, programming loops and switches.

Instructor: Jeremy Johnson. JCWCC

M-Th 4/2-4/5 9am-noon \$95/\$90 204120-A

Cooking Around the World

NEW!

(ages 11-15)

This camp will open young eyes to the art of cooking and how to explore different nations, cultures and ethnicities through their food. Focus will be on developing cooking skills through hands-on experience as well as providing knowledge of the importance of food in our daily lives, both as a means of nutrition and expression. JCWCC

M-F 4/2-4/6 1-5pm \$105/\$100 204120-B

Summer Camps Preschool

Mini-Doodlers Camp

NEW!

(ages 3-5)

Campers will have loads of fun exploring art on different types of surfaces, with different types of paints and will use common household items such as marbles, sponges and cotton balls to create their own masterpieces.

Please wear appropriate clothing and/or bring a smock each day. Participants must be potty-trained. JCWCC

M-Th 6/18-6/21 9-11am \$65/\$60 206190-A

Little Tykes Summer Camp

(ages 3-5)

Dramatic play stations, creative crafts, interactive stories and songs, music and movement and themed related circle time and activities are just a few features of a fun-filled week of adventure. Each day will start with greet and meet time, continuing with a theme-related circle time and a mid-morning snack.

Special activities include weekly swimming and visits from the library reading program and bookmobile.

Children must be potty-trained. JCWCC

Creative Endeavors – 700010-A

M-Th 6/25-6/28 8:30-11:30am \$60/\$55

Crawling Critters – 700010-B

M-Th 7/2-7/5 8:30-11:30am \$45/\$40*

*prorated due to Wednesday, July 4 holiday

Animals of the World – 700010-C

M-Th 7/9-7/12 8:30-11:30am \$60/\$55

Games Galore – 700010-D

M-Th 7/16-7/19 8:30-11:30am \$60/\$55

Kids World – 700010-E

M-Th 7/23-7/26 8:30-11:30am \$60/\$55

Fun with Food – 700010-F

M-Th 7/30-8/2 8:30-11:30am \$60/\$55

Little Artists – 700010-G

M-Th 8/6-8/9 8:30-11:30am \$60/\$55

Weather Wonders – 700010-H

M-Th 8/13-8/16 8:30-11:30am \$60/\$55

Camp Imagination

NEW!

(ages 3-5)

Campers can let their imaginations run wild as they explore their creativity using various common materials to create sculptures, collages and other art projects. Campers will also be encouraged to create art using non-traditional craft supplies such as leaves, flowers and other products found in the backyard. Participants must be potty-trained. JCWCC

M-Th 7/23-7/26 9-11am \$65/\$60 206190-0

Byte Size Learning Computer Camp

(ages 3-5)

Watch your child go from tapping and typing, to reading and writing.

Discovery Kids Puterbugs computer program prepares children with Today's Top 100 Tech Skills, starting with the letters of the keyboard. Small class size, personal attention and exclusive access to continue the fun and learning at home are featured! No computer experience needed. Bring a snack and drink daily. Participants must be potty-trained.

Instructor: Barb Elliott. JCWCC

M-Th 8/20-8/23 9-noon \$120/\$115 206190-AA

Byte Size Learning, LLC also offers year-round classes. For additional times/days, call (757) 254-4448.

Summer Camps Youth/Teen

All About Me Camp

NEW!

(ages 5-8)

By participating in hands-on activities such as clay molding, learning songs like "Dem Bones," and creating various craft projects such as a macaroni skeleton, campers will take a "deeper look into themselves" by exploring the five different systems of the human body.

JCWCC

M-Th 6/25-6/28 9-11am \$75/\$70 206190-D

Incredible Edibles Camp

(ages 5-8)

While climbing the food pyramid, campers will get to create their own food masterpieces. This hands-on interactive camp is their opportunity to explore creative ways to enjoy healthy foods. JCWCC

M-Th 7/16-7/19 9-11am \$75/\$70 206190-L

'Tis the Season Camp

NEW!

(ages 5-8)

Campers will celebrate Valentine's Day, St. Patrick's Day, July 4th, Halloween and Thanksgiving by participating in hands-on craft projects and activities, exploring books and preparing holiday treats. JCWCC

M-F 7/30-8/3 9-11am \$75/\$70 206190-R

We've Got Camps!

Special Interest Camps

Silly Science Concoctions

Camp (ages 5-8)

Measuring, mixing and molding ordinary household products into things such as silly putty, playdough, ice cream are just a few crazy concoctions campers will get to create! JCWCC

M-Th 8/6-8/9 9-11am \$75/\$70 206190-U

Byte Size Learning Computer Camp

See course description on page 9.

M-Th 8/20-8/23 1-4pm \$120/\$115 206190-BB

Cake Decorating Camp **NEW!**

(ages 7-12)
Campers will learn the basic skills needed to decorate cupcakes, brownies, cookies and cakes. Lessons include how to ice a cake, use filling and decorate using buttercream icing. Campers will also learn about the different types of icing and basic tools used for decorating cakes. There will be a best overall cake contest on the last day! Campers take home the treats daily! Please note any food allergies at time of registration. Camp fee includes all supplies. Instructor: Maryann Boho, The Williamsburg Chocolatier, Inc. JCWCC

M-F 6/25-6/29* 9am-noon \$120/\$115
*no class 6/26 206190-F

Camp Chocolate (ages 7-12)

Learn about chocolate making and the history of chocolate along with games and LOTS of fun each day. We'll dip fresh fruits, chocolate clusters and molded chocolates along with many other treats! Bring an apron and a small snack to class each day. Please note any food allergies at time of registration. Camp fee includes all supplies. Instructor: Maryann Boho, The Williamsburg Chocolatier, Inc. JCWCC

M-F 8/13-8/17* 9-noon \$110/\$105 206190-Y
M-F 8/13-8/17* 1:30-4:30pm \$110/\$105
*no class 8/14 206190-Z

Camp ARTicipation

(ages 7-15)

Welcome to the world of everything ART! Campers will have the opportunity to learn and discover their own artistic talents and interests while exploring the history behind various art and artists. Instructor: Ocelia Templeton. JCWCC

Introduction to Art Foundations

(ages 7-11)
Begin exploring, understanding and working with graphite, charcoal, acrylic paint, clay and more.

M-F 6/18-6/22 9am-4pm \$130/\$125 206190-B

M-F 6/25-6/29 9am-4pm \$130/\$125 206190-E

2D Art Foundations

(ages 10-13)
Dig into the foundations of 2D art, with a focus on the art of drawing while exploring it as the basis of all art. Campers will be introduced to painting on canvas and working with Conte crayons.

M-F 7/9-7/13 9am-4pm \$130/\$125 206190-H

3D Art Foundations

(ages 10-13)
Embark on understanding the 3D art world with a split between relief clay carving/sculpture and throwing on the potter's wheel. Campers will come away with a valuable artistic "tool" kit.

M-F 7/23-7/27 9am-4pm \$130/\$125 206190-Q

Advanced Art Foundations

(ages 12-15 or instructor recommendation)
Experienced campers who have expressed an interest in the art world and where it may lead them will experience a combination of 2D and 3D art. Although there'll be common projects, campers will be given the opportunity to focus a portion of each day on their particular artistic interests.

M-F 7/30-8/3 9am-4pm \$130/\$125 206190-T

Cooking Around the World

NEW!

(ages 9-12)
See course description on page 9.

M-F 8/13-8/17 1-5pm \$105/\$100 206190-X

Junior 4-H Scientist Adventures Camp

(9-13 years)
Make science and engineering come alive by extracting DNA from a strawberry, launching a rocket, designing a boat, exploring wildlife habitats and more. Campers will also put their knowledge to work during a visit to the Science Museum of Virginia. Instructor: Ann Beatty. JCWCC

M-F 7/9-7/13 9am-4pm \$130/\$125 206190-I

Aviation Summer Camp **NEW!**

(ages 9-13)
Want to learn about flying a plane? Be introduced to aerodynamics, airplane controls and design and about the forces that act on an airplane while in flight. A visit to the airport is included where campers will board the cockpit of a Cessna as well as a trip to an aerospace museum. Campers will compete in a rocket building contest and will learn to compute distance using mathematical formulas. Fee includes all materials, a T-shirt and snacks. For more information and to register, contact yaef@cox.net or call (757) 369-5004. Offered in partnership with the Youth Aeronautics Educational Foundation, a non-profit organization that provides youth with educational opportunities to achieve careers in aviation, engineering and related studies. JCWCC

M-F 7/16-7/20 9am-noon \$100

4-H Lego Robotics Camp

(ages 9-13)
Lego Robotics promotes development of science, technology, engineering and mathematics skills in youth. Campers will explore teamwork and the engineering design process while building and programming Lego NXT Robots. They'll also learn about motors, sensors, programming loops and switches. JCWCC

M-Th 7/23-7/26 9am-noon \$95/\$90 206190-P
M-Th 7/30-8/2 9am-noon \$95/\$90 206190-S

Discount Program

Assistance is available to any qualified resident based on total income, call 259-5414 for details.

Camp Movin' and Groovin' (ages 9-13)

In this active camp, campers will learn dances that range from the Electric Slide to the Waka-Waka and play games that involve learning how to keep a beat and rhythm. At the end of camp, campers will get the chance to showcase the skills they've learned. JCWCC

M-Th 8/6-8/9 1-4pm \$95/\$90 206190-V

Fun Fitness Camp

(ages 9-13)

Campers will learn how fun and easy it is to be physically fit and to eat a well-balanced diet; all taught through playing common childhood games and making healthy snacks. JCWCC

M-F 8/13-8/17 9am-noon \$105/\$100 206190-W

Team BOOK Creative Writing Camp (ages 10-12)

Get ready to read, write and create! Participants will team up to write a book using Boom Writer, an engaging website that blends creative writing and social media technology. Campers will also play a variety of games and other activities to help get their creative juices flowing! FP

M-Th 6/18-6/21 1-5pm \$95/\$90 206190-C

From the Farm to the Fork Cooking Camp (ages 10-12)

Campers will explore farming in the community and then make tasty treats from scratch! They'll follow the path of food grown on a farm and learn about responsibilities of both a farmer and a cook. Please note any food allergies at time of registration. JCWCC

M-F 7/16-7/20 1-5pm \$105/\$100 206190-N

Bicycle Camp (ages 11-14)

Learn safe bicycling skills for off-road trails, low-traffic roads and in local parks. Basic maintenance skills also taught. Participants must have a bicycle, helmet and basic riding ability. Bring water, a snack and lunch each day. Camp will meet at different locations daily.

M-Th 6/25-6/28 9am-3pm \$85/\$80 306350-A

NEW!

Lights, Camera, Action: Intro to Television Production Camp

(ages 12-14)

How is a television show made? You'll learn how to operate video cameras, microphones, tripods and other field equipment. You'll even go out on a video shoot for JCC TV. Camp will involve taping at various County locations.

Instructor: Eric Williams. CVC

M-F 7/9-7/13 8am-noon \$95/\$90 206190-J

Cooking Around the World (ages 12-15)

See course description on page 9.

M-F 8/20-8/24 1-5pm \$105/\$100 206190-CC

4-H Engineering Quest Camp (12-16 years)

Calling all inventors and future engineers! We'll use the engineering design process to allow campers to create and build prototypes of a roller coaster, boat and more. Campers will also be able to observe engineers at work with a trip to NASA. Instructor: Ann Beatty. JCWCC

M-F 7/16-7/20 9am-4pm \$130/\$125 206190-M

Video Shorts! Camp (ages 13-16)

These days, the most popular videos aren't on television, they're viral videos shared online. Design a video for JCC and see if it takes off! Camp will involve taping at various County locations.

Completion of "Intro to TV Production" or previous camera experience required.

Instructor: Eric Williams. CVC

M-F 7/9-7/13 1-5pm \$95/\$90 206190-K

Cake Decorating Camp (ages 13-17)

See course description on page 10.

M-F 6/25-6/29* 1:30-4:30pm \$120/\$115

*no class 6/26 206190-G

Stagelights Summer Workshops (ages 6-13)

Williamsburg's Premier Children's Theatre will be offering a variety of workshops this summer. Please visit www.stagelightstheatre.org or email stagelightstheatre@gmail.com for dates, times, locations and fees.
